

# Clean Code by Example

by M. Scott Ford

## Exercise: Abbreviations and Acronyms

1. Think about the acronyms and abbreviations that are commonly used on your project. Now write down as many as you can in 3 minutes.
2. Put a mark next to each of the acronyms and abbreviations that you listed above if you are pretty sure that everyone on your team knows the true meaning of the acronym or abbreviation.
3. Compute the percentage of acronyms and abbreviations that everyone on your team knows. Write the number down here.
